SOAIS
Putting Customers First

A Fortune 500 company that is one of America's leading providers of smart energy solutions.

Business Problems

Despite using automated testing tools (e.g., Win runner, QTP, Selenium), the company faced challenges such as depending on separate teams for test development, maintenance, and execution, as well as struggling to reduce testing time for 5 Offer Codes monthly and Conversion testing, and effectively transferring the knowledge to new team members

SOAIS Solution & Benefits

SOAIS leveraged Worksoft Certify and developed recursive scripts using Certify to reduce testing time by 96%, Certify scripts that can be used across all company codes, and scripts for knowledge transfer to new colleagues.

Customer saved $500 K per year.
